As Managing Contractor for the North Queensland Stadium project, Watpac is hosting the event to provide an opportunity for Indigenous job seekers to network with the major contractors and subcontractors engaged on the project and be informed of potential employment availability.

Your presence and support will allow skilled Indigenous job seekers to connect directly with your business to show case their skills and experience.

Watpac is proudly targeting 6.6% of the project workforce be Indigenous peoples. We aim to achieve this by supporting businesses like yours to maximise training and employment prospects for Aboriginal and Torres Strait Islander workers.

We encourage your business to participate in the coming North Queensland Stadium project Indigenous Job Seekers Event, and invite you to RSVP by registering your attendance on the ICN Gateway at [www.northqueenslandstadium.icn.org.au](http://www.northqueenslandstadium.icn.org.au) by Friday, 27 October 2017.

When you attend, we ask you to bring with you clear information about the genuine employment opportunities available with your business now and in the immediate future.
