

# South Flank

## Iron Ore Project – Expression of Interest

**Project Overview:** The proposed South Flank project is located adjacent to BHP's existing Mining Area C in the Pilbara region of Western Australia. An overview of the South Flank Project is available at [www.southflank.icn.org.au](http://www.southflank.icn.org.au)

**Main Package:** Mulla Mulla Village Expansion

**Sub-Contract Package Title:** Supply and Installation of Ceilings and partitions

**Reference:** 10204010

**Package Description:** The Ceiling and Partitioning package will consist of the supply and installation of ceilings and partitions for various buildings across the site including the supply of all plant, equipment, materials and labour for the erection of the ceilings and partitions.

For the tenderer to be eligible for consideration to perform these works, it is recommended that the tenderer comply with the following:

### General Requirements

- Previous experience in working on a BHP site is critical;
- Extensive knowledge of all required BHP Health, Safety, Environmental and Quality requirements;
- ISO accreditation will be favourable;
- Track record of successful delivery of projects over AU\$1,000,000;
- Track record of successful delivery of remote projects;
- All related trade qualifications to be current and available for review;
- Tenderer EBA (Enterprise Bargaining Agreement) to be in place and made available for review;
- Availability for all staff to work 4 and 1 swings (28 days on, 6 days off); and
- Compliance with project delivery timeframes.

### Decmil Australia Requirements

- Subcontractor is required to be registered under the Decmil Australia Subcontractor/Supplier/Consultant system (<https://ssc.decmil.com.au/>) to access all related tender documents;
- Access to tenderers recent financial statements, safety and environmental history, history of Industrial disputes and any other related information that can substantiate successful project delivery by the tenderer; and
- Previous experience in successful project delivery with Decmil Australia will complement consideration.
