

Northern Gas Pipeline Project Update

Edition 15 December 2017

Merry Christmas, Happy New Year

Jemena would like to wish everyone a safe and Merry Christmas and a Happy New Year

As 2017 draws to a close, I'd like to take this opportunity to thank each and every person who has contributed to and supported the development of the Northern Gas Pipeline (NGP).

I'd also like to recap our achievements for 2017, which has been an incredible year for the NGP.

- ✓ Secured all necessary government, environmental & landholder approvals
- ✓ Constructed 403km of pipeline – 262km in NT, 141km in QLD – ahead of schedule
- ✓ Safely delivered 622km of line pipe, with efforts from our international manufacturer and logistics coordinator, our wharf, train and local trucking and yard crews
- ✓ Began construction of our QLD and NT compressor stations
- ✓ Delivered the Tennant Creek Social Employment Project, giving 10 local people (nine Indigenous) an opportunity to work on the NGP, when ordinarily they would have been unable to do so

- ✓ Provided Project Ready Training Program (PRTTP) to 45 local people
- ✓ Offered jobs to all PRPT graduates who were willing/able to work on the NGP
- ✓ Provided 14 local training opportunities through the Spinifex program
- ✓ Offered two young, local men 12 month health and safety traineeships
- ✓ Provided more than 428 Project jobs to people from the Tennant Creek, Barkly, Mount Isa regions and the NT
- ✓ Supported local businesses, with 206 contracts awarded locally
- ✓ Provided \$60,000 to enable businesses to increase their capabilities, including with new websites and business planning
- ✓ Began the roll out of our Sponsorship Program, providing financial and in-kind support to a range of local organisations

These outstanding achievements would not have been possible without the support of local people. So can I once again say thank you for your support. Your contribution to this nationally important project is valued.

Jonathan Spink, NGP Project Director

The Tennant Creek Office will be closed until 15 January 2018. For all enquires please call 1300 578 515.

Questions?

If you have any questions about the project we are happy to meet with you to discuss them.
