

Kemerton Lithium Project – Expression of Interest

- Project Overview:** Albemarle Lithium Pty Ltd (Albemarle) is working to establish the Albemarle Kemerton Plant, a Lithium hydroxide Product manufacturing plant and associated infrastructure, within the Kemerton Strategic Industrial Area (KSIA), approximately 17 kilometres north-east of Bunbury
- Package Title:** Supply of Plant and Instrument Air System
- Reference:** 606541-7421-20401
- Package Description:** Supply of plant and instrument air system, comprising three (3) air compressor systems with nominal air discharge pressure of 700 kPa(g) per unit.
- Complete with electric motor drives, sequence controllers, inlet air filter systems and air-cooled aftercoolers.
 - Duplex pre-dryer and post-dryer compressed air filters and desiccant regenerative dryer, complete with twin towers that alternate between drying and regenerating.
 - Oil removal and collection systems from compressors, dryers, receivers and filters.
 - Instrumentation and Compressed Air receivers, each complete with pressure relief valve and automatic water drain valves.
 - All necessary control valves, pressure gauges, governors, piping, etc. within the terminal limits to enable the compressors and receivers to be set up and operated automatically.
 - All interconnecting piping.
 - All power, control and instrumentation cabling between the compressor starter and control panels, electric motors and field devices integral to the air compressor system and all necessary guarding and safeguards
 - Rigid fabricated steel frame bases complete with lifting lugs and slots for forklift tines onto which the air compressor system is mounted.
- Target Award Date:** September 2018
- Expression of Interest (EOI):** Suppliers and Contractors are invited to express an interest in this scope of work by registering on the [ICN Gateway](#) online platform. The EOI requires you to complete the Preliminary prequalification information. Please also ensure that your ICN Gateway company profile is up to date before registering your EOI.
- EOI Closing Date:** April 17, 2018
- Contact:** Industry Capability Network of Western Australia. (+618) 9365 7556
- Project URL's:** For more information about Albemarle please refer to the company website www.albemarle-lithium.com
- For information on specific project opportunities please visit the ICN Gateway online platform at gateway.icn.org.au

Disclaimer:

This package description and target award date is indicative only and subject to change. It is intended to provide only a brief outline of certain works that may be required for the proposed Albemarle Kemerton Plant Project and should be read in conjunction with the Albemarle Kemerton Plant project description on ICN Gateway.
