

Barossa Offshore Project

Package No: 20180505-AUW

Package Name: **Gas Export Riser Supply**

Scope of Work
(*To be confirmed)

The scope of this work package is associated with the below work package listed independently on the ICN Gateway:

- 20180510b-AUW Subsea Umbilical Riser and Flowline (SURF) Engineering Procurement Construction & Installation (EPCI).

The Gas Export Riser Supply scope comprises:

- Design, manufacture and testing of 2 off 12" (*) gas export risers, each nominally 800m (*) long.
- Supply of tethering arrangement (*) for each riser.
- Supply of diverless bend stiffener connectors (*) for each riser.
- Supply of discrete buoyancy (*) and bend stiffeners for each riser.
- Supply of topside integrity management system for each riser.
- Provision of transportation reels, cradles and lifting equipment on a rental basis (*).
- Packing of risers onto transportation reels (*).
- Applicable industry codes and standards: API 17B – Recommended Practice for Flexible Pipe 5th Edition May 2014, API 17J – Specification for Unbonded Flexible Pipe 4th Edition May 2014, API 17L1 – Specification for Flexible Pipe Ancillary Equipment, API 17L2 - Recommended Practice for Flexible Pipe Ancillary Equipment.
- Contract Award Q4 2019(*); Delivery 2022 (*)

Project Registration

ConocoPhillips is committed to ensuring Australian Industry full, fair and reasonable opportunity to participate in the Barossa Project. Expressions of Interest are invited from contractors and suppliers with the relevant capability and capacity to undertake the scope of work.

This is a request for specific expressions of interest. Contractors and suppliers will be considered for prequalification and tender if suitably qualified against this package.

Note that an important part of the project registration process is to register an Expression of Interest at the correct Scope level.

Scope level definition:

Full scope: Able to produce / supply all of the package.

Partial scope: Able to produce / supply one or more of the sub-packages.

All registrations are to be completed via ICN Gateway BarossaOffshore.icn.org.au. Please contact the ICNNT if registration assistance is required. Contact details: (08) 8922 9422 or admin@icnnt.org.au.
