

# Barossa Offshore Project

Package No: 20180509-AUW

Package Name: **Umbilical Supply**

Scope of Work  
(\*To be Confirmed)

The scope of this work package is associated with the below work package listed independently on the ICN Gateway:

- 20180510b-AUW Subsea Umbilical Riser and Flowline (SURF) Engineering Procurement Construction & Installation (EPCI).

The Umbilical Supply scope comprises:

- Design, manufacture and testing of 2 off dynamic umbilicals, each nominally 800m (\*) long.
- Design, manufacture and testing of 3 off static umbilicals, total length nominally 17000m (\*).
- Supply of tethering arrangement (\*) for each dynamic umbilical.
- Supply of diverless bend stiffener connectors (\*) for each dynamic umbilical.
- Supply of discrete buoyancy (\*) and bend stiffeners for each dynamic umbilical.
- Supply of bend restrictors for each static umbilical.
- Provision of transportation reels, cradles and lifting equipment on a rental basis (\*).
- Packing of umbilicals onto transportation reels (\*).
- Applicable industry codes and standards: ISO 13628-5 Petroleum and natural gas industries – Design and operation of subsea production systems – Part 5: Subsea umbilicals
- Contract Award Q4 2019 (\*); Delivery 2022 (\*)

## Project Registration

ConocoPhillips is committed to ensuring Australian Industry full, fair and reasonable opportunity to participate in the Barossa Project. Expressions of Interest are invited from contractors and suppliers with the relevant capability and capacity to undertake the scope of work.

This is a request for specific expressions of interest. Contractors and suppliers will be considered for prequalification and tender if suitably qualified against this package.

**Note** that an important part of the project registration process is to register an Expression of Interest at the correct Scope level.

Scope level definition:

**Full scope:** Able to produce / supply all of the package.

**Partial scope:** Able to produce / supply one or more of the sub-packages.

All registrations are to be completed via ICN Gateway [BarossaOffshore.icn.org.au](http://BarossaOffshore.icn.org.au). Please contact the ICNNT if registration assistance is required. Contact details: (08) 8922 9422 or [admin@icnnt.org.au](mailto:admin@icnnt.org.au).
