

MILVEHCOE CENTRE OF EXCELLENCE (MILVEHCOE)

Composite Cladding

ICN hereby invites Expression of Interest from respective trade contractors and suppliers for the MILVEHCOE project for the COMPOSITE CLADDING trade package. All EOI submissions should be made through the ICN Gateway.

Scope of Works	Supply and install composite external cladding systems
Project Description	The MILVEHCOE is intended to be a heavy vehicle manufacturing facility for Rheinmetall Defence Australia (RDA) and will include significant design, prototyping, manufacturing and system test capabilities
Location of Works	Redbank, Queensland
Delivery Schedule	It is anticipated that these works will commence Q1 2019.
ICN Gateway URL	https://milvehcoe.icn.org.au

General Information

Watpac and Industry Capability Network (ICN) invite registration of interest in this package provided that the contractors and suppliers meet the pre-requisite of selection criteria to accommodate the technical and commercial capability to undertake the scope of work in order to be considered for prequalification.

It is important that businesses submitting an EOI are aware that their submission does not guarantee that they will progress further in the procurement process. Only companies that can demonstrate capability and capacity in accordance with Watpac's standards will be invited to pre-qualify for specific opportunities.
