General Information

Watpac and Industry Capability Network (ICN) invite registration of interest in this package provided that the contractors and suppliers meet the pre-requisite of selection criteria to accommodate the technical and commercial capability to undertake the scope of work in order to be considered for prequalification.

It is important that businesses submitting an EOI are aware that their submission does not guarantee that they will progress further in the procurement process. Only companies that can demonstrate capability and capacity in accordance with Watpac's standards will be invited to pre-qualify for specific opportunities.
