

## MILVEHCOE CENTRE OF EXCELLENCE (MILVEHCOE)

### Plant Hire

ICN hereby invites Expression of Interest from respective trade contractors and suppliers for the MILVEHCOE project for the PLANT HIRE trade package. All EOI submissions should be made through the ICN Gateway.

Scope of Works	General building plant hire inclusive of builders equipment, earthworks machinery including street sweepers, dewatering pumps, forklifts and telehandlers
Project Description	The MILVEHCOE is intended to be a heavy vehicle manufacturing facility for Rheinmetall Defence Australia (RDA) and will include significant design, prototyping, manufacturing and system test capabilities
Location of Works	Redbank, Queensland
Delivery Schedule	It is anticipated that these works will commence Q1 2019.
ICN Gateway URL	<a href="https://milvehcoe.icn.org.au">https://milvehcoe.icn.org.au</a>

#### **General Information**

Watpac and Industry Capability Network (ICN) invite registration of interest in this package provided that the contractors and suppliers meet the pre-requisite of selection criteria to accommodate the technical and commercial capability to undertake the scope of work in order to be considered for prequalification.

It is important that businesses submitting an EOI are aware that their submission does not guarantee that they will progress further in the procurement process. Only companies that can demonstrate capability and capacity in accordance with Watpac's standards will be invited to pre-qualify for specific opportunities.
